"GUM BALL" Fly-In

- 1. Take off and Land...do what ever you want in-between...for as long as you want! You can even have someone take-off and land your plane for you! If you want to fly alone, or while others are up...it's your choice.**
- 2. When you finish "Doing your thing" pick a "Gum Ball" of your favorite color and get it recorded with the CD.
DON'T EAT THEM...Yet!**
- 3. We do this until all participants have flown at least 3 times.**
- 4. Then the CD will draw a number for each color of "Gum ball". The person with the most points, based on the color of his/her gumballs collected, gets first choice of the prizes. The next person with the next highest points gets the second choice of prizes...and so forth and so on, till all the prizes are gone.**
- 5. In case of ties THE ONE WHO CAN BLOW THE LARGEST BUBBLE GETS FIRST PICK!**
